About Coffee N Cars

When we started this group, I felt as though something was lacking in the midlands. There are huge shows and events that are out of town, what happens local to us? So, I took it upon myself after helping with other groups to kickstart Coffee N Cars, and hopefully have bigger shows and events to rival other larger clubs but in the midlands area.

We have a good member base, and at the events we have had so far turnout has been great, all the members are very social and like to attend meets as and when work/family life allows. There is no pressure to attend every meet, just pop in when you can.

Most of our meets will be early in the morning allowing you to come out for a few hours and then return home to your families and not be away all day. The shows we put on hopefully will attract your family's along too, as well as other car clubs and members of the public who wish to look at our cars and ask questions, who

Woody's El-Camino

66 Chevy El-Camino SS.
Richard has a SS El-Camino boasting a 454 Big Block motor, running on Centerlines, it is fitted with Ceramic Headers and a slick B & M Z Gate Shifter

Stubbs Racing Engines & Mac Tools

Dan Stubbs runs Stubbs Racing Engines and he does some quality work on Engines, Transmissions and Rear Ends along with much more, he has worked on American and Classic cars for years and comes with a wealth of knowledge, you will see him at some of the meets in his Chevy C10 or Green Mopar that will make your heart shake.

This is a horizontal advertisement for Stubbs Racing Engines. The top part has the logo 'STUBBS RACING ENGINES' in large, bold letters, with 'ENGINE & DRIVETRAIN BUILDS - SERVICING' underneath. Below the logo, it says 'American Car Specialist' and 'Derby, UK'. There are two small images of classic cars: a green one on the left and an orange one on the right. A list of services is provided in two columns: 'Engine Builds', 'Transmission Builds', and 'Differential Builds' on the left; 'Free Advice', 'Servicing', and 'Engine Run In' on the right. Below the list are three small images showing engine parts and a rear end. At the bottom, it says 'We offer a compressive engine and drivetrain building service, whether its for the drag strip or street, and everything in between.' followed by 'Call Us On 07983429810'. At the very bottom, there are social media icons for Facebook and Instagram, and the address 'Staker Flatts Farm, Staker Lane, Mickleover, Derby, DE3 0DJ'.

Wayne has run a Mac tools franchise for 11 years in the Derby area. Mac Tools is an American professional tool company operating via mobile tool vans, franchisees run a tool van in a designated area as their own business under license from Mac Tools. Happy Motoring and in Wayne's words **'keep it on the black stuff'**

Fido the F100

Keith's 1956 Ford F100 has taken shape over the last few months, Since meeting Keith at CarCafe one morning, he has become an active member and is very hands on with his truck, he has built a great truck up, changing the rear axle and fitting some great rear fenders and Thrust alloys in the last few months, Keith picked up a Trophy at the Notts Custom Show, We're very proud of him

Notts Custom Show

August 19th 2018

Nottingham Chopper Club invited us to show off our cars and attend their Custom motorcycle and Custom car Show. There were trade stands, trophies, live music, food, late bar. Camping available

What turned out to be a amazing event started Saturday afternoon with a few members showing up to camp and get their groove on at the party in the evening, After watching the Hurley's and their new awning setup we ventured over to the Notts Chopper club had a chat with the team, we cooked dinner at the camp and then went to the party, the live music was by a rockabilly band called the Moonshiners, they we're great, I'd like to book these guys for next years show,

Shaun Hales *You guys are the best and we cannot thankyou enough for all your efforts*

The band played 3 sets and during the sets was an amazing DJ set that played some Northern Soul, Dance, Rock and a great mix of everything from a big rig with sound and disco lights, we had an amazing time.

We even had a few members who had a go at Axe Throwing and Knife Throwing.

Notts Custom Show

Sunday was the main show and after a damp start it kicked into a amazing turnout, lots of Coffee N Cars members made it out, the custom bike show was great, some amazing machines attended to show off their creations,

Notts Custom Show

Coffee N Cars members scooped up 2 of the trophy's our own Richard Wood and Keith Wilson along with a few other lucky people who attended the show, a great time had by all.

Meet up in July

We had a wet but fun meet in July where we started Coffee N Cars a long time ago, at the 1st meet it was me Jane and Shane, and its grown from there. some of the hardcore members showed their support and we all huddled under umbrellas and in Martin & Julia's Love machine, During the meet it seems I was presented with the El Grande Queso award, totally unexpected and made my day, we have some great members who go above and beyond supporting the group, and as long as we are all happy I will do all I can to make the group better. From the bottom of my heart thank you all.

Who are we

We are a group of car enthusiasts who love their cars and meet up in random places to be social.

Our main objective is to get out and have fun and bring back the social side of car meets as it seems to of have been lost over the last few years, we stick to these rules: -

- Love your car...
- Respect other members...
- No exhibition of speed or Burnouts – maybe a few burnouts ...
- Always respect the venues...

Merchandise available

We have group T-Shirts for £12 each “Black, White, Blue”

We have group stickers available

Coming soon Trucker Caps

See Attila at any meet / event for more information
