About Coffee N Cars

When we started this group I felt as though something was lacking in the midlands. There are huge shows and events that are out of town, what happens local to us? So, I took it upon myself after helping with other groups to kickstart Coffee N Cars, and hopefully have bigger shows and events to rival other larger clubs but in the midlands area.

We have a good member base, and at the events we have had so far turnout has been great, all the members are very social and like to attend meets as and when work/family life allows. There is no pressure to attend every meet, just pop in when you can.

Most of our meets will be early in the morning allowing you to come out for a few hours and then return home to your families and not be away all day. The shows we put on hopefully will attract your family's along too, as well as other car clubs and members of the public who wish to look at our cars and ask questions, who knows you may help someone to become an American or Classic Car owner today!

Rusty aka BerNard

59 Chevy Apache.

I bought it in fairly standard condition two years ago after seeing other 55/59 Chevy Trucks online. I love the look of these trucks and even more so when they are lowered. Future plans are to remove the remaining paint to match the Hood and have the seat recovered in Brown Leather. New window glass and also maybe a rewire.

Mac Tools Derby

Wayne has run a Mac tools franchise for 11 years in the Derby area. Mac Tools is an American professional tool company operating via mobile tool vans, franchisees run a tool van in a designated area as their own business under license from Mac Tools.

Mac Tools is owned by Stanley Black and Decker which is also an American corporation worldwide. If you'd like to know more about Mac Tools, the tools or even becoming a franchisee feel free to talk to him. Wayne is a motorsport enthusiast, riding motorcycles, road and on the track for many years, he can talk your ears off about the Isle of Man TT! Wayne has followed the VW scene for over 20 years and been part of a VW club in this time. He's always had a passion for American cars seeing them at most VW shows, he had the opportunity to buy his 1940 Ford Tudor Hotrod early 2017 and has expanded his love of motors into the V8 world, joining Coffee N Cars after meeting Attila at the MFN event. Wayne wanted to help with the new club and asked if there was anything he could do, after talking with Attila they decided that Wayne could sponsor the club merchandise and help with the design and upfront cost involved. He looks forward to meeting you all at meets and events.

Happy Motoring and in Wayne's words **'keep it on the black stuff'**

The Beast

My beauty is "**The Beast**". I bought her because I wanted a V8 of some kind before we all have to go electric. As soon as I heard that 6.2 litre Chevy Corvette engine fire up she was sold. I like the fact that she is Australian with an American heart, I like the fact that she is totally bonkers, and I like that there are not many around meaning they are a rare sight on our roads... She just suits me down to the ground. I love her very much.

Heage Windmill

June 24th 2018

We held our 2nd American & Classic Car day at Heage Windmill and the day was a huge hit. We had over 92 cars show up from all over, I heard there was even a 6 car convoy from Lincoln attend. The sun was out, and we had cars ranging from a beautiful 51 Cadillac convertible to a VW Notchback even some Corvettes. Over 550 people attended the show and we helped raise nearly £995 towards the upkeep of the mill...

Heage Windmill thank all of the members & visitors for attending" please come back soon"

American Cop Car – Special Guest

An Authentic American Ford Crown Victoria Police Interceptor. Fully functioning lights and siren, fully equipped like it was when it was used in the States. Our 911 Emergency Re-Enactors are fully uniformed, in Official Los Angeles Police Uniforms and kit You can find them on Facebook under American Cop Car and book for Proms & Weddings.

Other cars in attendance ranged from a Datsun, Camaros, Impala's, Pickups, Mustangs, AC Cobra's, Suburban's, Astro Van, Ford Edsel, Navigator, S10 Pickup, Zodiac and a Bonneville and even some bikes like Indian, Norton, and Harley Davidson.

News N Events

I have been working on a deal and have been offered a campsite for next year to arrange a weekend of camping with a Show N Shine on the Sunday. We can camp on the Friday till Sunday and they have said we can stay till Monday morning if needed. If anyone knows of some bands who want to play talk to me, also we will want some vendors maybe get some information when you go to shows this year. We can do what most shows do and have camping Friday and Saturday and the Sunday have a big car show where we invite lots of people from random places and charge on the day a fee to be determined, we can have a tent for entertainment maybe get a DJ or someone knows a few bands who would play for free or a small fee if we can sell enough tickets. The campsite is in Moorgreen 10 mins from J27 of the M1 or 5 mins from Hucknall and in a quiet remote location.

There are Toilets and Showers on site but no electric at this time. I would like some input and feedback on if this is something you as members would be interested in holding and who knows we could have our own huge show on our doorstep in a few years just like Americana was.

Heage Windmill May 2018

Future Events

22nd July – American & Classic Car Day – Gedling Inn & Pub

19th August Notts Custom Show – Newark Rugby Club

2nd September American & Classic Car Day – Heage Windmill

Open for more suggestions!

Who are we

We are a group of car enthusiasts who love their cars and meet up in random places to be social.

Our main objective is to get out and have fun and bring back the social side of car meets as it seems to of have been lost over the last few years, we stick to these rules: -

- Love your car...
- Respect other members...
- No exhibition of speed or Burnouts – maybe a few burnouts ...
- Always respect the venues...

Merchandise available

We have group T-Shirts for £11.25 each “Black, White, Blue”

We have group stickers available

Coming soon Trucker Caps

See Attila at any meet / event for more information
